Vers 1

(Alle) Mumbling “good morning”, raising my head
A bad breath kiss to my pillow pet
Take a look at the day and turns and stay in bed.
Open my eyes when the day have died
I turn the world and I slept alright

Bro 1

(Alle) Now my nightmare is over I zip my jeans tight
Oh lord won't you bless the night?

Kvæd 1

(A) From the pale lips of a youth who lay
When the night comes to the city I say:
With my pale lips in the pillow I say:
After dark is a game I play
(S/B) I'm sleeping my day...

(Alle) I'm sleeping my day away
I'm sleeping my day away
I'm sleeping my day away

(A) I'm sleeping my day

(Alle) Away!

Vers 2

(Alle) When my dreams begin
I'd be so proud to be letting you in
With a smile on my face I guide our dreamboat in.
If you wanna travel along with me

(A) You must sleep tight the rest of the day

(S/B) You better sleep tight the rest of the day

Bro 2

Oh lord won't you bless the night?
